

KINGSBURY COUNTY HIGHWAY DEPARTMENT

APPROACH PERMIT

I, _____ hereby apply to the Kingsbury County Highway Department

For permission to construct a road approach on county road _____

Which is located _____?

from _____, South Dakota. Applicant agrees to

construct the approach with 6.1 minimum in-slope on all oil roads and 4.1 minimum on

all gravel roads. Approach top will be 40 foot minimum.. No approach shall be so

constructed as to interfere with the proper and necessary drainage of said county road.

According to Kingsbury County Ordinance all culverts must be 18" and made of metal.

The approach will be constructed with a level grade line from the edge of the road to the

Right-of-way line.

Reference: South Dakota codified law 31-24-6 and 31-24-7.
